STAKEHOLDER FEEDBACK

REPORTS

2024-2025

STAKEHOLDER FEEDBACK ON CURRICULUM (For Alumni)

Nursing curriculum leading to B.Bsc/P.B.B.sc/M.Sc. Nursing course provides an opportunity for students to develop professional qualities and to practice nursing care services in various health sectors. Hence, it is necessary to assess the nursing curricula regularly through stakeholders to make changes as per health care needs of the society.

Aluminis' feedback is an important parameter for quality improvement of nursing education thereby the quality of students. Therefore, Aluminis' feedback is received every year and evaluated by IQAC, Dr. PDNI Amravati and necessary updation made in the nursing curriculum for betterment of student community.

The technique used to collect feedback from Alumni's a Five Point Rating Scale. It contains 15 items with 5 descriptors each. Hence, you are requested to go through each item one by one and rate accordingly. The parameters related each item shall be; strongly agree-5, Agree-4, Uncertain-3, Disagree-2, & strongly disagree-1.

This feedback form intended to collect information related your satisfaction towards nursing curriculum. The information provided by you shall be kept confidential and will be used as important feedback for quality improvement.

No.	Descriptor	5	4	3	2	1
1	Curriculum well structured, comprehensive, relevant, and suitable to the course					
2	Relevance of the curriculum to the future needs					
3	Curriculum adequately prepares the students for real-world challenges in nursing practice					
4	Curriculum ideally balances between theory, practice & research for gaining good scientific knowledge					
5	Prescribed books/learning material are suitable to the learner					
6	Curriculum supports ongoing professional development and lifelong learning					
7	Curriculum enhances the scope for better employability, higher order learning, entrepreneurship, govt. job etc.					
8	Curriculum co-curricular/extra-curricular activity moulds the students in terms of values, ethics, self-learning and social responsibility					
9	Curriculum ideally balances credit hours of theory, skill lab activities and clinical practice					

10	Curriculum covers enough content to meet the learning objectives					
11	Curriculum is effective in enhancing constructive learning					
12	Curriculum emphasized the importance of collaboration & effective communication in educational setting					
13	Curriculum suitable for both; slow learners & advanced learners					
14	Curriculum implementation well organized and effective					
15	In general, how would rate the quality of instruction in the course					

Any suggestion / comments on nursing curriculum leading to nursing courses to improve the quality of education

Alumni feedback Report on curriculum

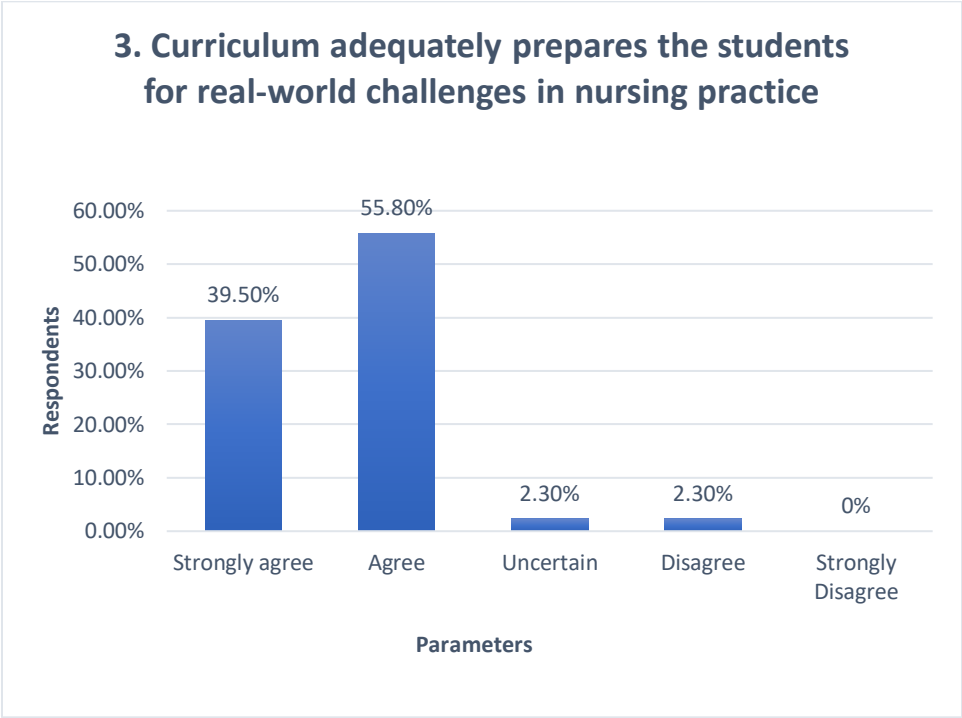

2024-2025

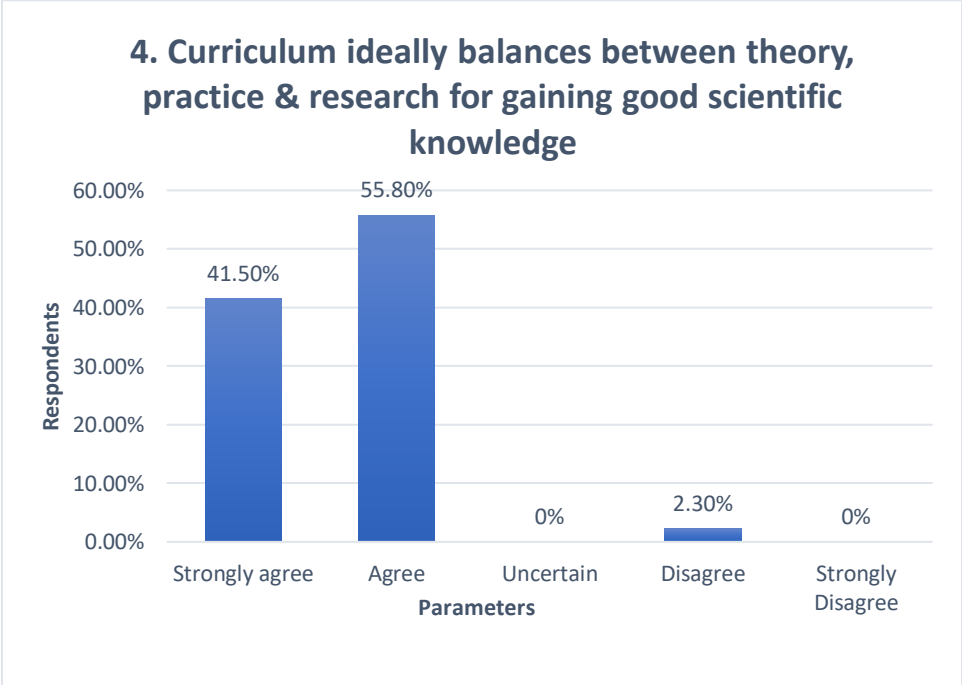

1.Table &figures no.1 reveals of Curriculum well structured, comprehensive, relevant, and suitable to the course, out of 43 alumni, **60.5%** alumni were agree, **39.5%** were strongly agree, No one alumni given uncertain, disagree & strongly disagree about the curriculum.

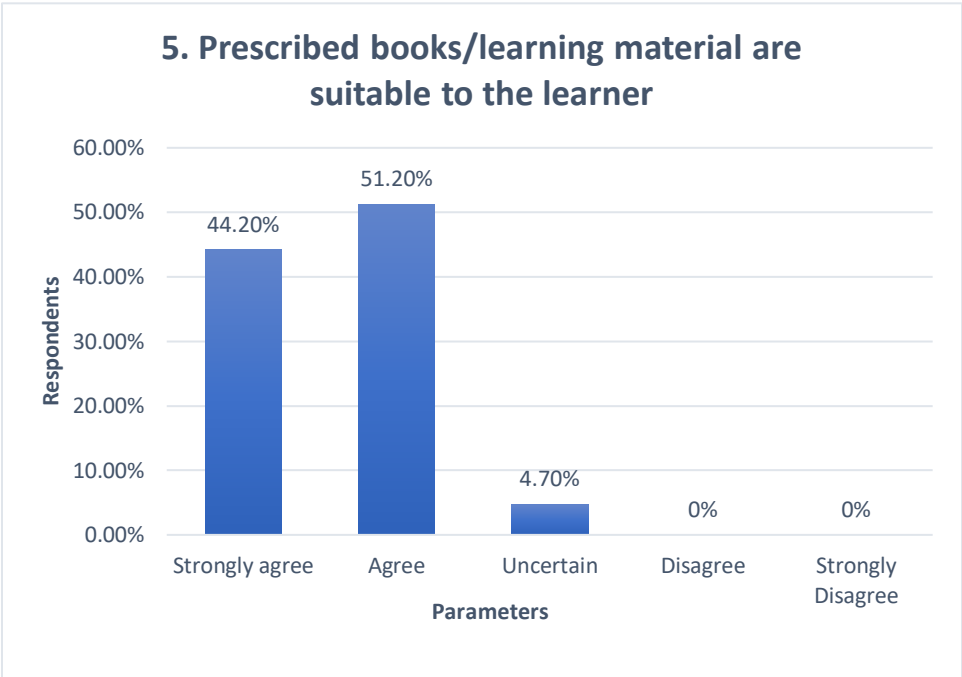

2.Table &figures no.2 reveals of Relevance of the curriculum to the future needs, out of 43 alumni, **58.1%** alumni were agree, **2.3%** were uncertain & disagree remaining **37.2%** were strongly agree. No one alumni given strongly disagree about the curriculum.

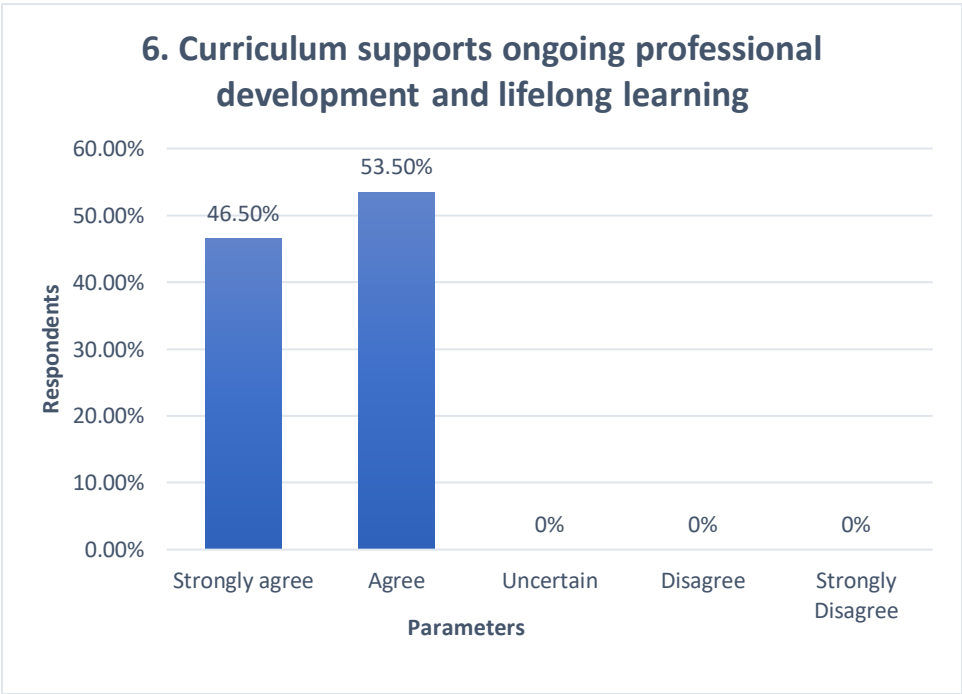

3. Table & figures no.3 reveals of Curriculum adequately prepares the students for real-world challenges in nursing practice, out of 43 alumni, **55.8%** alumni were agree, **2.3%** were uncertain & disagree remaining **39.5%** were strongly agree, No one alumni given strongly disagree about the curriculum.

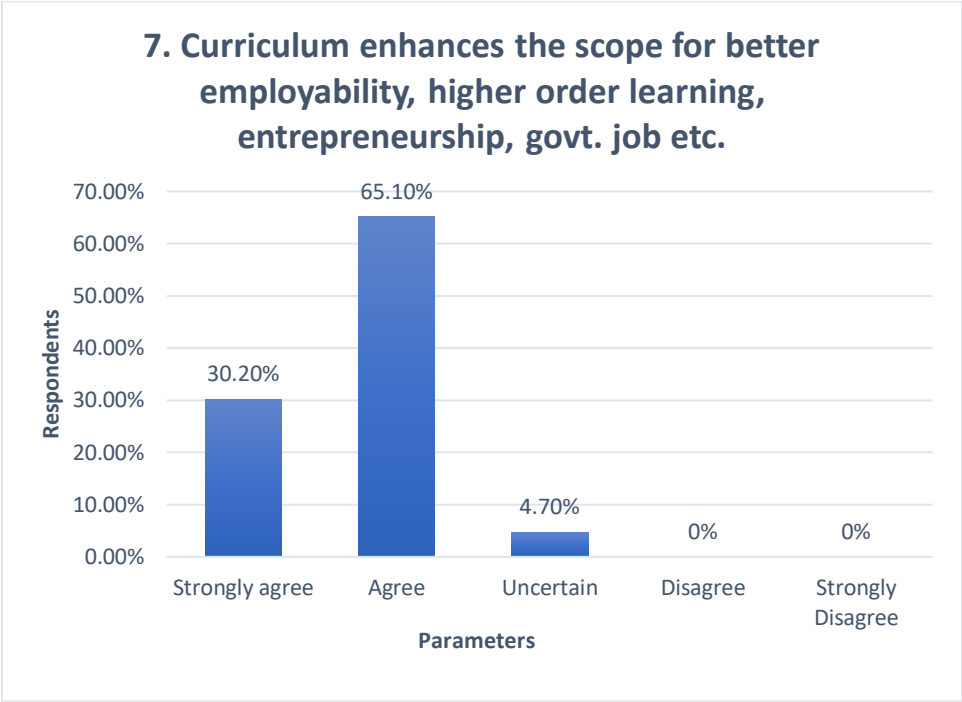

4. Table & figures no.4 reveals of Curriculum ideally balances between theory, practice & research for gaining good scientific knowledge, out of 43 alumni, **55.8%** alumni were agree, **2.3%** were disagree remaining **41.5%** were strongly agree, No one alumni given uncertain & strongly disagree about the curriculum.

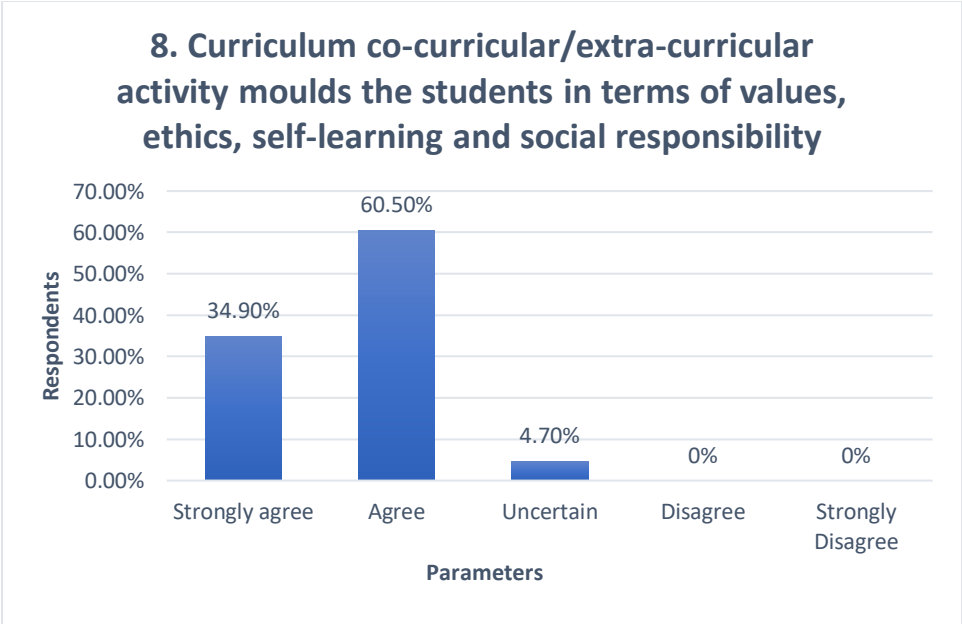

5.Table &figures no.5 reveals of Prescribed books/learning material are suitable to the learner, out of 43 alumni, **51.2%** alumni were agree, **4.7%** were uncertain remaining **44.2%** were strongly agree, No one alumni given disagree & strongly disagree about the curriculum.

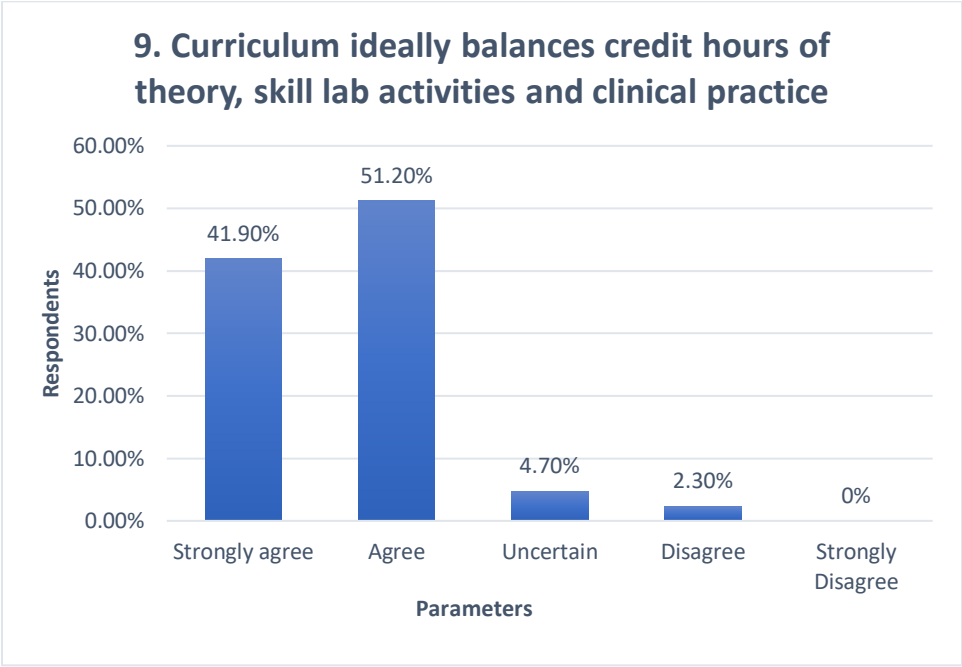

6.Table &figures no.6 reveals of Curriculum supports ongoing professional development and lifelong learning, out of 43 alumni, **53.5%** alumni were agree remaining **46.5%** were strongly agree, No one alumni given uncertain, disagree & strongly disagree about the curriculum.

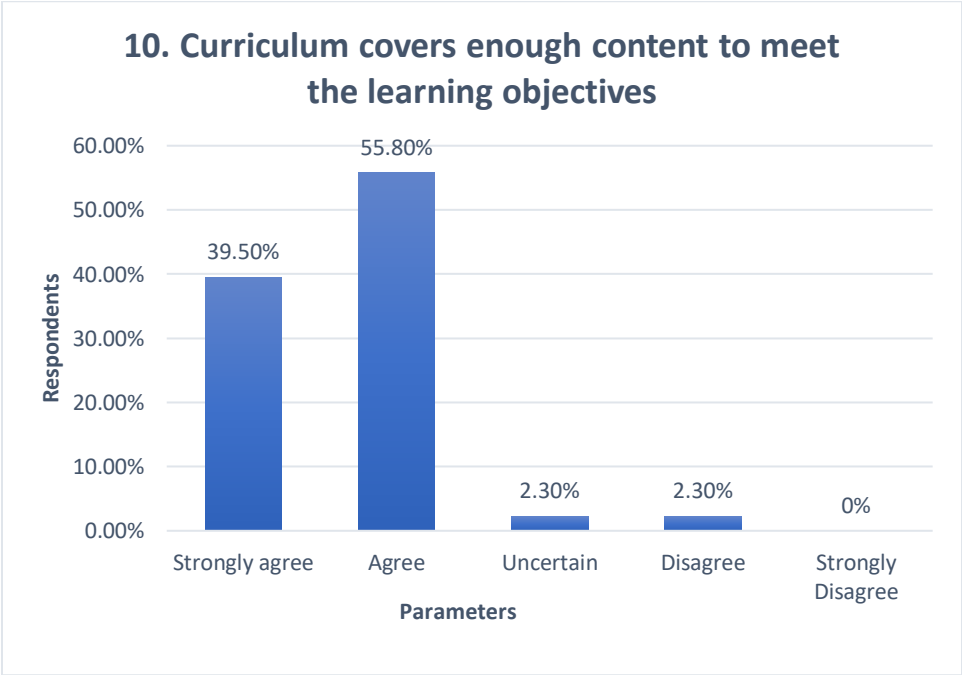

7.Table &figures no.7 reveals of Curriculum enhances the scope for better employability, higher order learning, entrepreneurship, govt. job etc., out of 43 alumni, **65.1%** alumni were agree, **4.7%** were uncertain remaining **30.2%** were strongly agree, No one alumni given disagree & strongly disagree about the curriculum

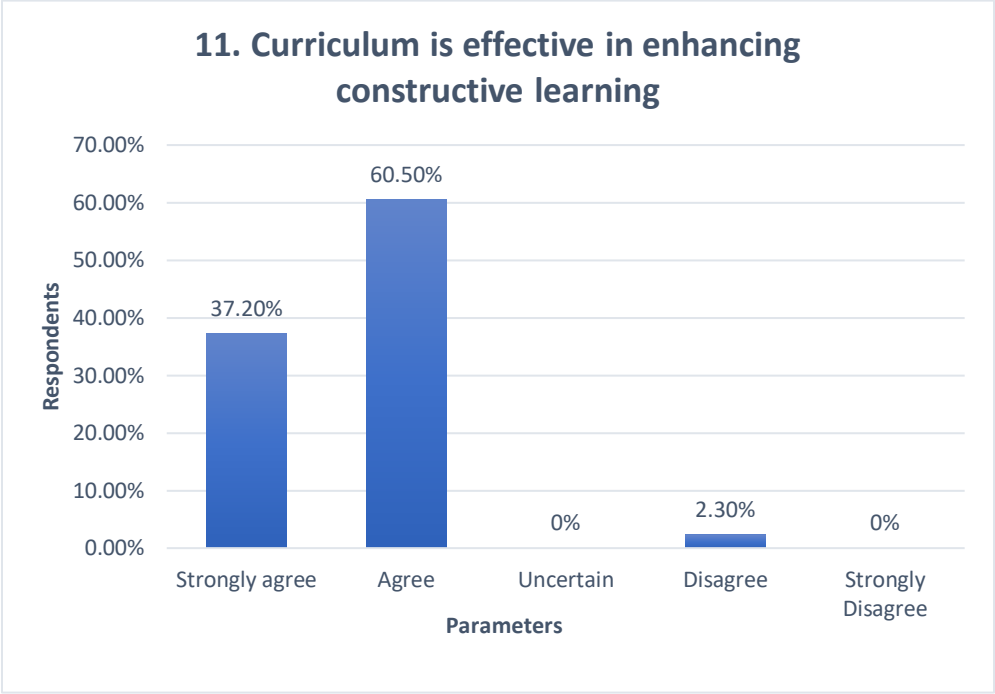

8.Table &figures no.8 reveals of Curriculum co-curricular/extra-curricular activity moulds the students in terms of values, ethics, self-learning and social responsibility, out of 43 alumni, **60.5%** alumni were agree, **4.7%** were uncertain remaining **34.9%** were strongly agree, No one alumni given disagree & strongly disagree about the curriculum.

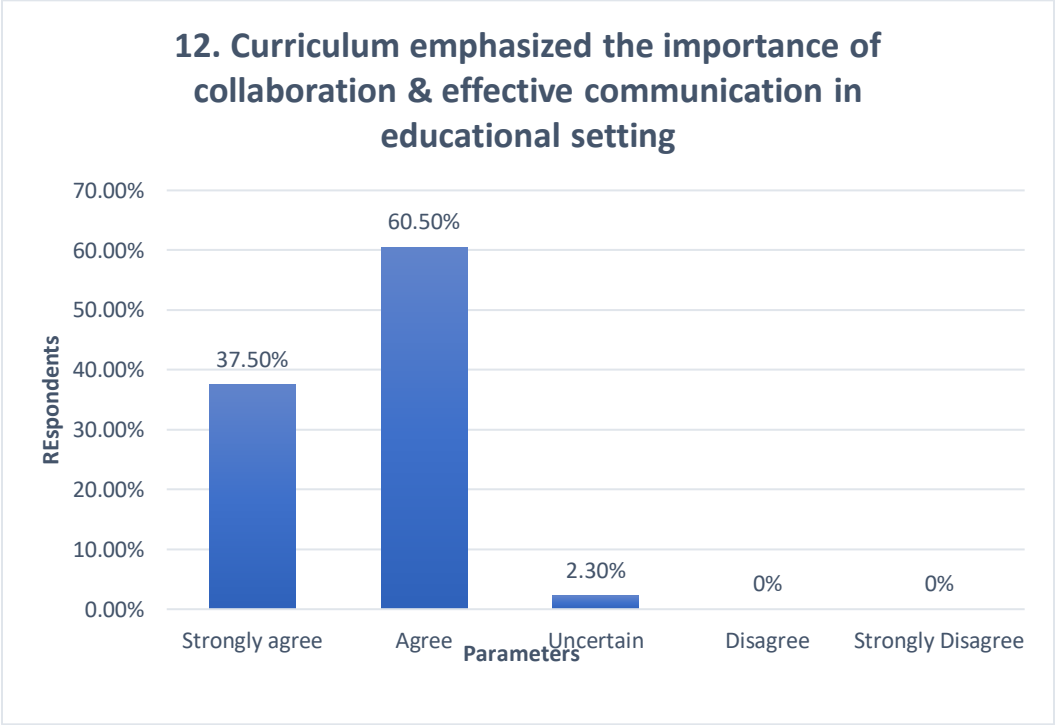

9.Table &figures no.9 reveals of Curriculum ideally balances credit hours of theory, skill lab activities and clinical practice, out of 43 alumni, **51.2%** alumni were agree, **2.3%** were disagree, **4.7%** were uncertain remaining **41.9%** were strongly agree. No one alumni given strongly disagree about the curriculum

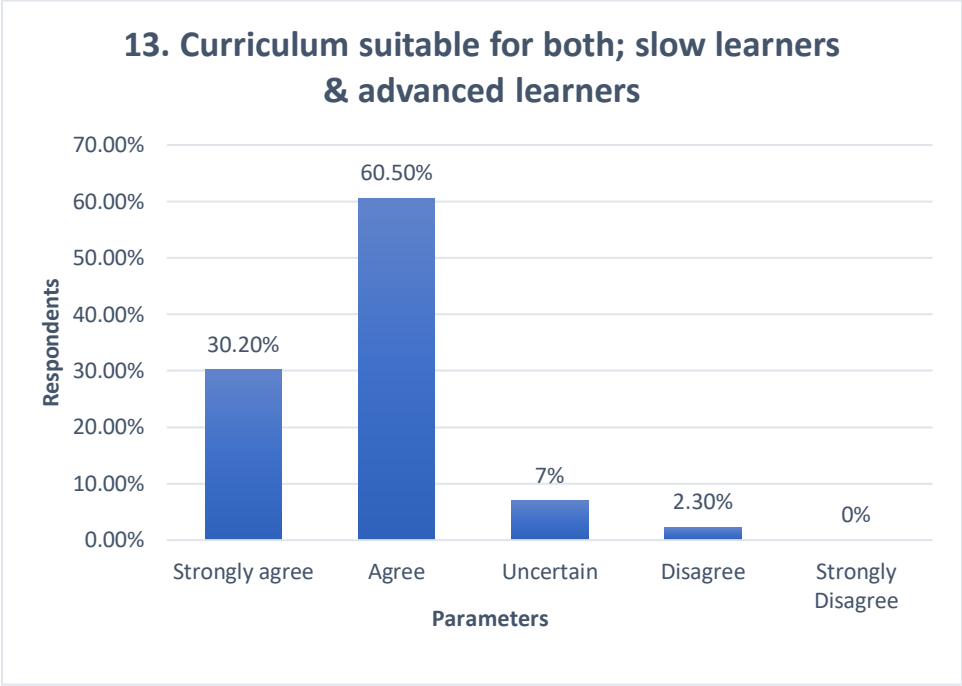

10.Table &figures no.10 reveals of Curriculum covers enough content to meet the learning objectives. out of 43 alumni, **55.8%** alumni were agree ,**2.3%** were uncertain & disagree remaining **39.5%** were strongly agree, No one alumni given strongly disagree about the curriculum.

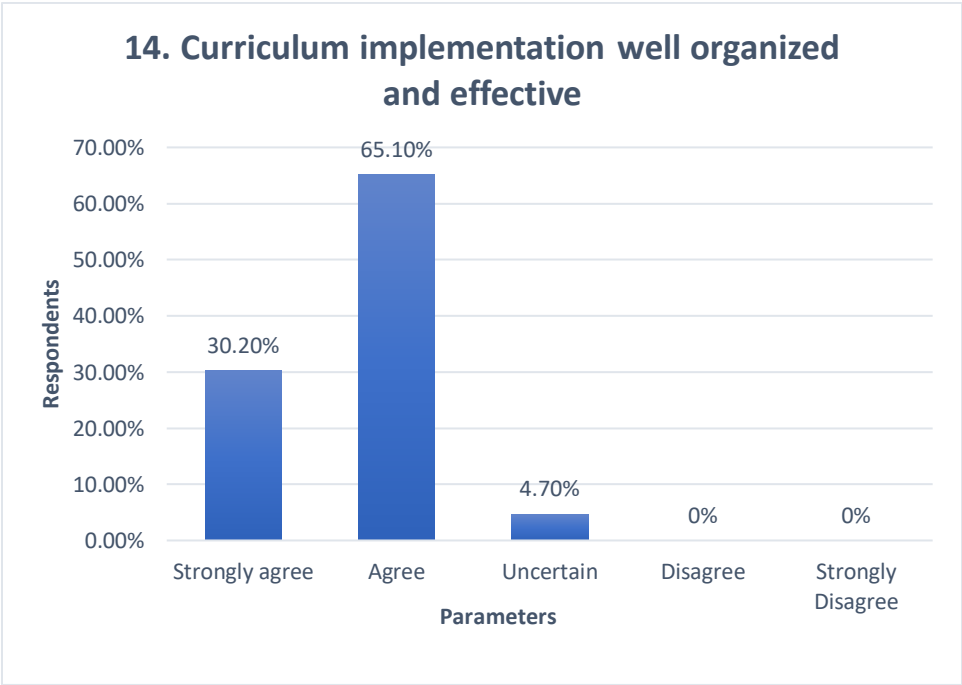

11.Table &figures no.11 reveals of Curriculum is effective in enhancing constructive learning, out of 43 alumni, **60.5%** alumni were agree, **2.3%** were disagree remaining **37.2%** were strongly agree, No one alumni given uncertain & strongly disagree about the curriculum.

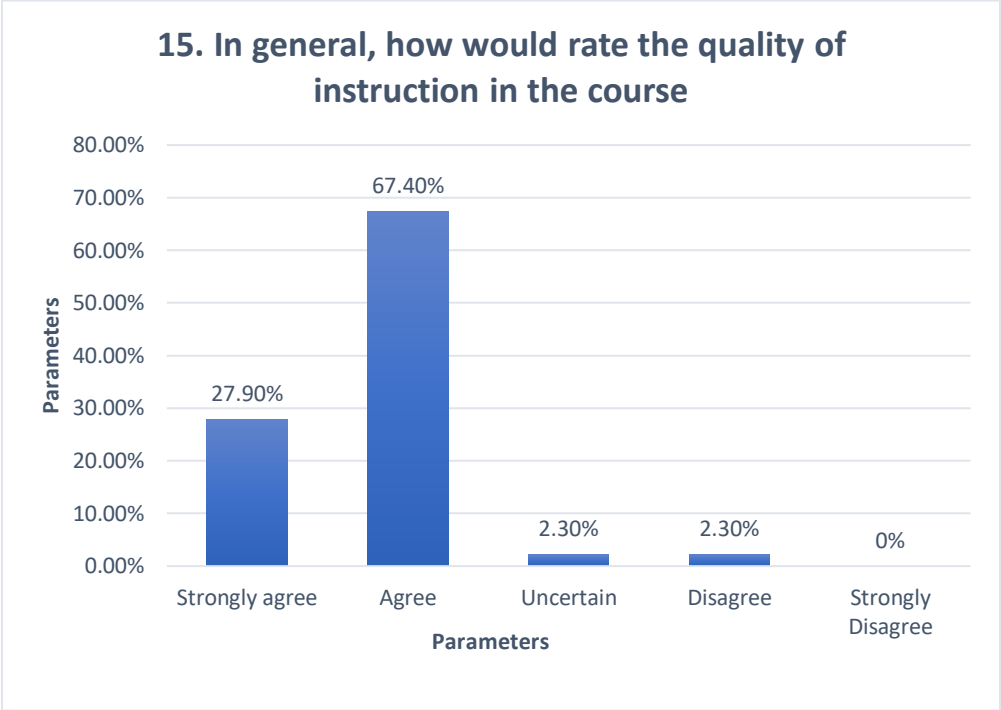

12.Table &figures no.12 reveals of Curriculum emphasized the importance of collaboration & effective communication in educational setting, out of 43 alumni, **60.5%** alumni were agree, **2.3%** were uncertain remaining **37.5%** were strongly agree, No one alumni given disagree & strongly disagree about the curriculum.

13.Table &figures no.13 reveals of Curriculum suitable for both; slow learners & advanced learners, out of 43 alumni, **60.5%** alumni were agree, **2.3%** were disagree, **7%** were uncertain remaining **30.2%** were strongly agree,. No one alumni given strongly disagree about the curriculum.

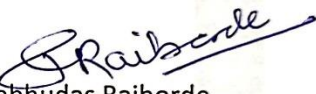

14.Table &figures no.14 reveals of Curriculum implementation was well organized and effective, out of 43 alumni, **65.1%** alumni were agree, **4.7%** were uncertain, remaining **30.2%** were strongly agree. No one alumni given disagree & strongly disagree about the curriculum.

15.Table &figures no.15 reveals of In general, how would you rate the quality of instruction received in the course, out of 43 alumni, **67.4%** alumni were agree, **2.3%** were uncertain & disagree remaining **27.9%** were strongly agree, No one alumni given strongly disagree about the curriculum.
