Recommendation	Resolution	Action taken
Clinical practice should be increased	It was agreed that clinical exposure is essential for enhancing students' practical competencies and readiness for professional roles. The committee acknowledged the importance of the recommendation and resolved to ensure strict adherence to the clinical schedule mandated by MUHS. Additionally, it was decided that efforts would be made to optimize existing clinical hours by improving supervision, diversifying case exposure, and encouraging reflective learning. Periodic reviews will be conducted to assess the adequacy and effectiveness of clinical training.	As per the syllabus provided by MUHS students must adhere to the clinical practice
