IQAC initiatives
Dr. PDNI Amravati – 444 603

**POLICY DOCUMENT
ON
STAKEHOLDERS FEEDBACK ON CURRICULUM**

I. Introduction

Stakeholder feedback on curriculum is crucial for improving learning outcomes and aligning educational programs with industry needs. This feedback is typically collected from students, alumni, teachers, professionals, and employers, and analyzed to identify areas for curriculum enhancement and revisions.

Dr. PDNI has a comprehensive feedback mechanism in place to collect feedback from various stakeholders. This feedback is used to identify areas of strength and weakness, and develop an action plan for improvement.

The feedback collected from stakeholders is analyzed and summarized by the feedback committee. The summary may include suggestions / recommendations to make changes in the curriculum, teaching methods, or infrastructure. Such feedback report is placed before the IQAC for decision making.

The institute implement the feedback-driven improvements and initiatives based on the action plans. The action taken report will be communicated to the stakeholders to demonstrate responsiveness and transparency.

2. Title: This policy shall be called as 'Stakeholder feedback on curriculum'.
3. Implementation: This policy shall come into force with effect from 01.12.2024.

4. Applicability of the policy: This policy shall be applicable to all teachers, students, administrative staff, and other supportive staff of Dr. PDNI Amravati and the stakeholders other than the parent institution.

5. Curriculum: It shall refer to the syllabus of BSC, PB BSC and MSC nursing courses.

6. Stakeholders: It shall mean the individuals who have an interest in or are affected by the activities of the institute. They can be internal or external. The internal stakeholders include Students and Teachers, whereas the external stakeholders include; Alumni, Professionals, and the Employers.

7. Stakeholder feedback: It shall refer to online responses of the stakeholders to the feedback items in the structured content on curriculum of Dr. PDNI Amravati.

8. Stakeholder feedback committee: It shall typically include representatives from different stakeholder groups, ensuring a balanced perspective. The committee develops the feedback tool, collects & analyze the data, and acts on feedback collected from stakeholders.

9. Composition of feedback committee: It shall mean the members of stakeholder feedback committee constituted by Dr. PDNI, Amravati-444 603. Members to the said committee shall include;

- Chairperson (any senior teacher) – 01
- IQAC Coordinator – 01
- Member from teaching faculty - 01
- Member from student community – 01
- Member from employer – 01
- Member from alumni – 01
- Member from professionals – 01

10. Frequency of feedback collection: The feedback committee shall collect data from stakeholders once in a year, and it shall be two months prior to commencement of new academic session.

11. Mechanism of collecting stakeholder feedback

To make feedback mechanism scalable and adaptable, the feedback committee need to have a clear and consistent feedback process and procedure that define how to collect, manage, and analyse the feedback on curriculum. Usually, it includes the following:

I. Pre-feedback procedure

The members of feedback committee shall;

- Identify stakeholders and define the feedback goals
- Choose appropriate tool and methods for data collection on curriculum feedback.
- Construct the feedback tool with appropriate questions or statements.
- Consult experts for validity of the tool.
- Place the finalized draft before the academic council and IQAC meeting for approval.
- Ensure that feedback tool is accessible, transparent, and tailored to stakeholder preferences.
- Prepare the list of possible stakeholders, and engage with them to establish communication channels, build relationships, and understand their interests, needs, and expectations.

II. Online feedback procedure

The members of feedback committee shall;

- Select the appropriate digital feedback channel or platform.
- Upload structured feedback form in the digital platform.
- Develop an online instruction manual for easy access and process
- Share digital link to the stakeholders to provide real-time feedback, comments, and suggestions.
- Follow-up for data collection

III. Post-feedback procedure

The members of feedback committee shall;

- Compile, edit and tabulate the feedback data for statistical analysis.
- Summarize key findings of stakeholders' feedback data.

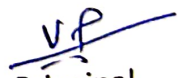

- Prepare comprehensive report of stakeholder feedback findings. Include key findings, trends, areas of improvement, and recommended actions. Share these reports with relevant stakeholders and IQAC for review and decision-making.
- Develop action plans based on stakeholder feedback to address identified issues, improve processes, enhance communication, and align project outcomes with stakeholder expectations. Prioritize actions based on impact and feasibility.

12. Implementation of action plans

As per IQAC decision, the institute shall implement the feedback-driven improvements and initiatives based on the action plans.

The stakeholder feedback committee shall maintain an ongoing feedback loop with stakeholders throughout the process. Regularly seek input, monitor changes in stakeholder perceptions, and adapt strategies accordingly to ensure continuous improvement and stakeholder satisfaction.

The action taken will be communicated to the stakeholders to demonstrate responsiveness and transparency. The copy of action taken report shall be submitted to the Executive Council, Shri. Shivaji Education Society, Amravati and to the appropriate bodies, viz., MUHS Nashik, INC New Delhi, and MNC Mumbai for favour of information.

Standard Operating Procedure On Curriculum Feedback

A structured feedback mechanism is critical to driving incremental progress in institutions. Effective feedback collection and analysis underpin quality assurance, enabling institutions to refine teaching and learning strategies, enhance resource utilization, and foster ongoing quality enhancement.

Feedbacks on curriculum from various stakeholders include: -

- Students – Annually
- Teachers – Annually
- Employer – Annually
- Alumni – Annually
- Professionals – Annually

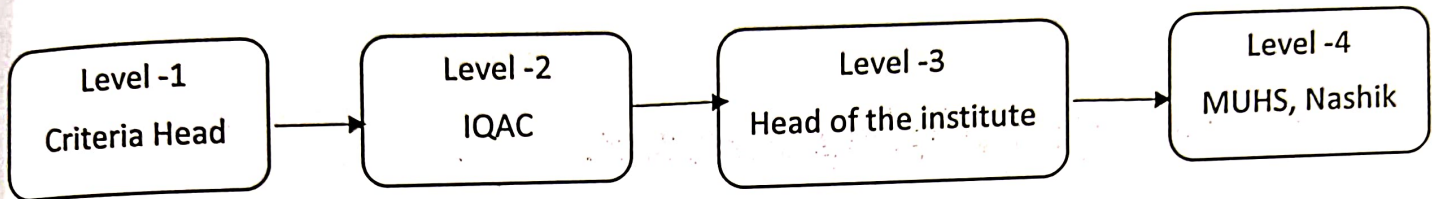

The institute's feedback mechanism involves collecting input from diverse stakeholders and implementing corrective actions accordingly, ensuring quality assurance and sustainability. The Feedback Committee prepares specialized forms for students, teachers, alumni, employers, and professionals, utilizing a multicentre approach to gather comprehensive feedback on various curriculum aspects.

Frequency, Model and Module of Feedback collection: -

S.N.	Stakeholders	Frequency	Model	Digital/Manual
1.	Students	Annually	All Students	Digital
2.	Teachers	Annually	All Teachers	Digital
3.	Employers	Annually	Random	Digital
4.	Alumni	Annually	Random	Digital
5.	Professionals	Annually	Random	Digital

The Feedback Committee conducts a thorough analysis of the collected feedback, compiling the findings into a comprehensive analysis report. This report is then submitted to the Principal, who oversees the development of a corresponding action report.

Criterion 1- Curricular Aspects

Key Indicator -1.4 Feedback System

1.4.1. QnM Mechanism is in place to obtain structured feedback on curricula/syllabi from various stakeholders.

Upload:

- Stakeholder feedback reports as stated in the minutes of meetings of the College Council /IQAC/ Curriculum Committee

Dr. Panjabrao Deshmukh Nursing Institute regularly conducts curriculum meetings based on a structured feedback system to ensure the curriculum remains relevant and effective. Feedback is collected from a diverse range of stakeholders, including students, teachers, alumni, employers, and professionals. The feedback is carefully analyzed during the meetings, and necessary modifications are made to enhance the quality of education and meet the evolving needs of the healthcare and academic sectors.

All the relevant scanned documents of minutes of meetings of the Curriculum Committee on feedback process are attached hereby

**STAKEHOLDER FEEDBACK REPORTS AS
STATED IN COLLEGE COUNCIL
MEETING
2024-2025**

Minutes of Curriculum Meeting

The Curriculum committee meeting was convened under the Chairmanship of Dr. Veda Vivek, Principal Dr. PDNI dated 20/01/2025, at 1:00 pm Meeting Hall of Dr. PDNI Amravati. Following members were present.

No. Name of the Member	Designation
1. Dr. Veda Vivek	Chairperson
2. Ms. Mahima Alekar	Convener
3. Ms. Priyanka Adhau	Member
4. Mr. Sandeep Kolaskar	Member

Item No. 1: Review of Minutes of previous meeting dated 18/01/2025

In previous meeting the members of the committee have discussed and decided the class coordinator, subject teacher, lab in charges, and role and responsibility of the teachers

Item No. 2: Discussion on selection of class co-ordinator of BSc Nsg sem I, sem V & sem VI

The members of the committee have decided the class coordinators year of all the respective courses and discussed in the meeting with all the HODs and teachers. Hence the class coordinator of Sem I is Ms. Mayuri Gandhe, Sem V Ms. Shilpa Upadhyia and Sem VI Ms. Gayatri Barde respectively

Item No. 3: Discussion on commencement of Academic year sem II, sem V, & sem VI

The members of the committee have discussed and decided as per the MUHS/XA/5519/2024 letter received from MUHS Naishik dated 15.7.24 the commencement of A.Y. of respective batches will be from i.e. Sem II 15.02.2025, Sem V 03.02.2025 & Sem VI 03.02.2025

Item-4: Discussion Class coordinator Records

The members of the committee have discussed, checked and informed to all class coordinators to complete their respective class register records

Item-5: Discussion on Teaching Learning System

The members of the committee have discussed and decided with all the respective class coordinators to prepare a well planned weekly time table in advance and get sanctioned with their respective HOD's and respected Principal. Further it was also instructed to all subject teachers to engage the lectures on time.

Item-6: Completion of Internal Assessment & CIS registers

Members of the committee have instructed to all subject teachers to complete Internal Assessment on time. Also it was instructed to all the HOD's to complete the CIS register of their respective batches.

Item-7: Discussion on feedback of students

During curriculum meeting it was decided and instructed to all teachers that every teacher must take feedback from the students so that it will be helpful in improving TLS.

Meeting ended with vote of thanks.

STAKEHOLDER FEEDBACK ON CURRICULUM (For students)

Nursing curriculum leading to B.Bsc/P.B.B.sc/M.Sc. Nursing course provides an opportunity for students to develop professional qualities and to practice nursing care services in various health sectors. Hence, it is necessary to assess the nursing curricula regularly through stakeholders to make changes as per health care needs of the society.

Students' feedback is an important parameter for quality improvement of nursing education thereby the quality of students. Therefore, Students' feedback is received every year and evaluated by IQAC, Dr. PDNI Amravati and necessary updation made in the nursing curriculum for betterment of student community.

The technique used to collect feedback from Students is a Five Point Rating Scale. It contains 15 items with 5 descriptors each. Hence, you are requested to go through each item one by one and rate accordingly. The parameters related each item shall be; Strongly agree-5, Agree-4, Uncertain-3, Disagree-2, & strongly Disagree-1.

This feedback form intended to collect information related your satisfaction towards nursing curriculum. The information provided by you shall be kept confidential and will be used as important feedback for quality improvement.

No.	Descriptor	5	4	3	2	1
1	The Induction lecture given in the beginning of the course					
2	Teacher covers entire syllabus					
3	Syllabus covers about human/social values and professional ethics					
4	Learning recourses available in the college (library, lab, ICT provision & others) are effective in teaching learning process					
5	Syllabus is based on the needs of current scenario and covers modern/advanced topics, and learning materials used to take classes are relevant and useful					
6	Syllabus contains good balance between theory and practice					
7	There is conducive environment to learn students effectively in hospital, community & college					
8	The institute takes active interest in promoting internship, student exchange, field visit opportunities for students					
9	Assignments/projects/other activities are useful in attaining course outcomes					

10	Opportunities made for outside classroom learning like seminar, workshop, conference, value added courses, add on courses etc.					
11	Sufficient no. of reading materials and digital resources are available					
12	Internal examinations are conducted well in time with proper coverage of all units in the syllabus					
13	Syllabus is well organized with hours, learning objectives, content, method of teaching and evaluation					
14	Curriculum implementation was well organized and effective					
15	In general, how would you rate the quality of instruction received in the course

STAKEHOLDER FEEDBACK ON CURRICULUM (For students)

Nursing curriculum leading to B.Bsc/P.B.B.sc/M.Sc. Nursing course provides an opportunity for students to develop professional qualities and to practice nursing care services in various health sectors. Hence, it is necessary to assess the nursing curricula regularly through stakeholders to make changes as per health care needs of the society.

Students' feedback is an important parameter for quality improvement of nursing education thereby the quality of students. Therefore, Students' feedback is received every year and evaluated by IQAC, Dr. PDNI Amravati and necessary updation made in the nursing curriculum for betterment of student community.

The technique used to collect feedback from Students is a Five Point Rating Scale. It contains 15 items with 5 descriptors each. Hence, you are requested to go through each item one by one and rate accordingly. The parameters related each item shall be; strongly agree-5, Agree-4, Uncertain-3, Disagree-2, & strongly Disagree-1.

This feedback form intended to collect information related your satisfaction towards nursing curriculum. The information provided by you shall be kept confidential and will be used as important feedback for quality improvement.

2. Meeting held in academic/curriculum cell on date 8.4.25
3. Agenda: enclosed
4. Minutes of the meeting dated: 8.4.25

Recommendation	Resolutions	Action taken
Need for more computers for E-learning	The committee unanimously resolved to forward the proposal for the procurement of additional computers to the management for necessary approval and budget allocation, considering its importance in improving digital learning infrastructure.	Proposal for more computer was discussed in the academic/curriculum committee
Increase skill lab activities	The committee resolved to monitor the regular implementation of skill lab activities through departmental reports and ensure that records are maintained as per MUHS norms. A periodic review will be conducted to assess effectiveness and compliance.	As per the guidelines of MUHS all concern subject teachers were instructed to conduct skill lab activities regularly.
Need for college canteen	The committee resolved to prioritize the establishment of a college canteen by coordinating with the management through the IQAC. A feasibility study and budget proposal will be prepared to initiate the process at the earliest.	As per the recommendation of students the proposal was discussed in the academic/curriculum and request forwarded to the IQAC cell
Conduct test series and must complete whole syllabus	The committee resolved that all departments must submit a syllabus completion report and test series schedule to the academic coordinator. Compliance will be reviewed in the next academic meeting to ensure academic readiness and student performance improvement.	All the HODs and subject teachers were requested to complete the syllabus and must conduct test series
