**STAKEHOLDER FEEDBACK
REPORTS**

2024-2025

STAKEHOLDER FEEDBACK ON CURRICULUM (For Teachers)

Teachers' feedback is an important parameter for quality improvement of nursing education thereby the quality of students. Therefore, teachers' feedback is received every year and evaluated by IQAC, Dr. PDNI Amravati and necessary updation made in the nursing curriculum for betterment of student community.

The technique used to collect feedback from teachers is a Five Point Rating Scale. It contains 15 items with 5 descriptors each. Hence, you are requested to go through each item one by one and rate accordingly. The parameters related each item shall be; strongly agree-5, Agree-4, Uncertain-3, Disagree-2, & Strongly disagree-1.

This feedback form intended to collect information related your satisfaction towards nursing curriculum. The information provided by you shall be kept confidential and will be used as important feedback for quality improvement.

No.	Descriptor	5	4	3	2	1
1	Nursing curriculum is realistic, flexible and learner oriented					
2	Curriculum suitable for both; slow learners & advanced learners					
3	Course content of syllabus organized in order; Continuity, Sequence & Integrity					
4	Curriculum ideally balances credit hours of theory, skill lab activities and clinical practice					
5	Curriculum covers enough content to meet the learning objectives					
6	Learning goals / objectives of curriculum are clear and appropriate					
7	The curriculum covers all fundamental aspects					
8	Curriculum adequately includes technology-enhanced learning tools for teaching and learning					
9	Curriculum involves different types of instructional & learning strategies					
10	Teaching learning activities are feasible to complete within stipulated time period					
11	Curriculum adequately addresses values and professional ethics					
12	Sufficient reference materials and books are available for the topics mentioned in the syllabus.					

13	The assessment method (exams, assignments, practical's) aligns with learning objectives					
14	Tests and examinations are conducted well in time with proper coverage of all units in the syllabus.					
15	Depth of course content is adequate to have significant learning outcomes					

Any suggestion / comments on nursing curriculum leading to nursing courses to improve the quality of education
